Areas of Competition

Interview …….. 30% of overall score

Contestants will sit down with each of our judges for a personal interview. Our interview questions are age appropriate and not designed to stump you but rather give the judges a glimpse of your true personality, goals, and plans for the role of being Egg Day Royalty.

Stage Presence ……25% of overall score

All of our contestants will compete in the stage presence competition in the outfit of their choice. Each contestant will take her walk in a moment in the spotlight showcasing their poise, personality, and confidence on stage. All of our contestants will use a predetermined walking pattern that will be provided in your newsletters leading up to pageant weekend.

Talent …….. 25%of overall score

Contestants can compete with a 2 minute on stage talent of their choice. Judges will be looking for presence, entertainment value, confidence and poise under pressure. All talent presentations will be stopped at the 2 minute mark. Makeup is allowed in all age divisions for this competition.

Platform/Community Service ……....20% of overall score

A platform is something you do for someone or group that you are passionate about. No, you do not have to have a platform. It is always nice to do nice things in your community and there are many ways to do that. Volunteering in any way on an ongoing basis can be very rewarding.

Photogenic

Judges will be looking for age appropriate and natural styling, complimentary grooming, and overall photo quality and presentation. Please note scores in the photogenic competition will not be used toward your Egg Day Royalty scores.

People's Choice

The People's Choice is voted on by the community NOT THE JUDGES. It is possible to win People's Choice and not an Egg Day Royalty Title.
